## Frequently asked questions:

1. What happens to the existing subscription revenue
  - a. 300,000 in subscription revenue goes away from the budget
2. What happens to the existing municipal funding
  - a. Once the fee is established and collection is flowing, the municipalities can eliminate the EMS Funding line item from their general fund and repurpose that money how they decide best.
3. Are all residents who are current on their fee, "Subscribers"
  - a. Yes – It improves from a 50% discount for out of pocket to 100% Discount and residents who are already subscribing would be saving money and increasing benefits
4. Can we legally do this – EMS Authority implementing a fee
  - a. Yes – Municipal Authorities are permitted to collect fees for services.
5. What do we take away if somebody doesn't pay or what is the penalty
  - a. Residents or businesses who do not pay would be sanctioned with a late fee, would be responsible for 100% of their ambulance bill if they use EMS, and eventually liens on property if required.
6. How do we figure out who to bill in the case of multifamily dwellings or apartment buildings
  - a. It would be the responsibility of the landlord to collect and distribute the fee to their tenants at \$55.00 per unit as defined by the ordinance.
7. How did we decide on \$55.00/household and what impact does that have on our budget
  - a. After the loss of subscription revenue, municipal funding and changes to our contractual allowance, our net positive would be around \$850,000.00. We plan to increase staff wages and benefits, make capital improvements to facilities and purchase new additions to our fleet.
8. Does the authority have the ability to raise the fee
  - a. Only with the approval of all 5 municipalities by resolution.
9. Who manages collection – Township or EMS Authority
  - a. Ross/West View EMS Authority through a collection service.
